MEMORANDUM FOR THE BOARD

SUBJECT: Redraft of NIE-49: SWEDEN'S POSITION IN THE EAST-WEST
CONFLICT

1. The attached redraft of the Conclusions and Section IV of NIE-49 is designed to shorten the paper, eliminate repetition, and place the estimate in better perspective. We believe that a final section of the paper is still desirable to answer the questions posed by the requestors.

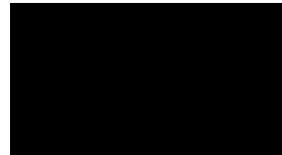

2. In addition, we suggest the following rearrangement of the present draft:

a. Insert present paragraph 23 immediately following paragraph 16 on page 12.

b. Insert present paragraph 30 immediately following paragraph 22 on page 16.

c. Insert the last sentence of present paragraph 34 as the last sentence of paragraph 12 on page 10.
